BACKGROUND

CIFAL Lebanon is excited to announce its second webinar "Impact Sourcing: An Overview of Social Responsibility in Business". This event is part of a series of webinars that will explore sustainability initiatives in support of various SDGs.

EVENT OBJECTIVES

In this webinar on Impact Sourcing, participants can expect to gain a fundamental understanding of how impact sourcing integrates social responsibility with business objectives. The session will begin with an introduction to the key concepts and importance of impact sourcing,

followed by a discussion on the business case, including benefits and a real-world case presentation. Attendees will learn about some common

challenges faced in impact sourcing and explore strategies for effective mitigation. The webinar will also delve into future efforts in the field.

Interactive Q&A and actionable takeaways will round out the session, providing participants with the tools and insights needed to gain a better

understanding of the benefits of impact sourcing to communities and businesses.

LEARNING OBJECTIVES

1. Understand the Concept and Importance of Impact Sourcing
2. Identify the Business and Social Benefits of Impact Sourcing
3. Recognize Common Challenges in the Implementation of Impact Sourcing
4. Envision the Future of Impact Sourcing
